DELETING SCHEDULES IN MYOB

1) Inside the tax return go to the taskbar at the top of the screen.

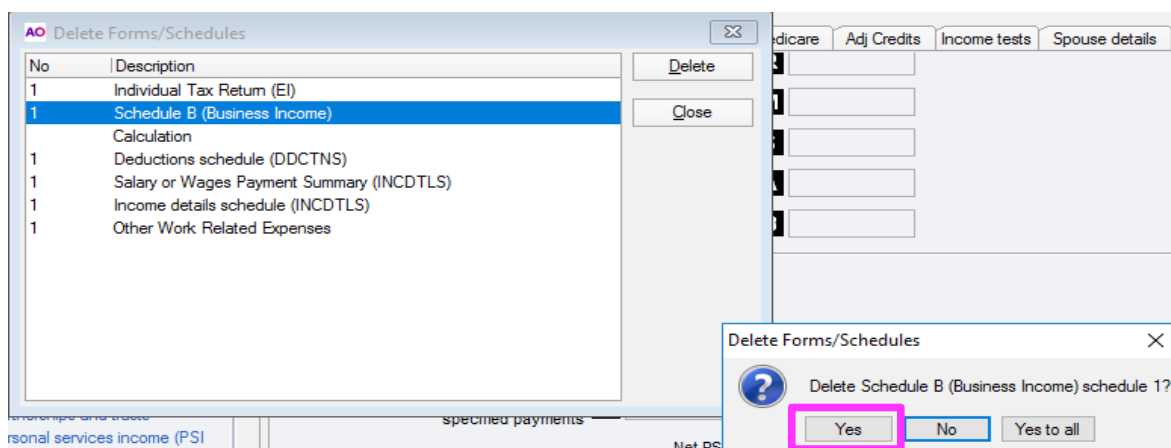

2) Click PREPARATION > DELETE SCHEDULES and the following should come up.

3) Select which schedule is to be deleted, then click DELETE. A warning message will appear confirming that the select schedule is the correct one that you want to

delete. If correct press YES.

- 4) After finishing the previous step, the schedule should no longer appear in the following window. The schedule will no longer appear in the tax return.
- 5) Click Close.
